Banat

Fresh-clean ideas embracing life,

Banat, the first toothbrush producer in Turkey, makes World-class production in oral care, personal care and home care groups. Founded in **1947**, the reason for the existence of Banat is to develop and present reliable, high-quality, practical and modern products to ensure that people maintain a clean, healthy and happy life. In line with its mission based on the motto of Fresh-clean ideas embracing life, Banat has increased its capacity with its investments and has become one of the leading players in the sector with its designs.

Our purpose is to make a contribution to healthier and cleaner future in Turkey and in the World with our products. The Quality Management System of Banat, a member of the Board of Directors of the European Brushware Federation (FEIBP), was approved with ISO 9001 certificate. Solid in approximately 40 countries in Turkey and in the world; Banat products serve many significant national and global companies thanks to the Private Label production.

Banat maintains its future-oriented activities in association with its Business partners across Turkey. We are happy to serve you with Banat products that you can safely use in all aspects of life.
